

**Daria Trzepla – Msc Arch, MOIA
Project Architect**

Daria graduated with a Masters in Architecture and Urban Design from Krakow University of Technology in 1997 after studying at both Krakow University of Technology and Bauhaus University in Weimar, Germany.

Since 2001 Daria has been a fully qualified architect, registered with the Association of Polish Architects MOIA. In 2009 she completed a Shop Window and Interior Design course at the Dublin Design Institute.

In 1998 she worked with Zeidler Roberts Partnership Architects in Berlin.

From 1999 till 2003 Daria worked for the architectural division of PORR Polska in Warsaw, Poland on a wide range of private sector projects throughout Poland including the Inter Continental Hotel in Warsaw.

Between 2003 and 2007 she worked with HKR Architects in Dublin, Ireland. Her involvement comprised a number of large scale residential and mixed-use developments along with offices and commercial buildings, among them redevelopment of the former offices of The Irish Times in Dublin.

From 2007 till 2008 she was employed by Mc Cauley Daye O'Connell Architects in Dublin. Her responsibility was to coordinate a wide range of residential and commercial development projects.

In 2009 Daria joined Horizone Studio in Krakow as senior project architect.
