

**Robert Strzeński – Msc Arch, MRIAI, MOIA  
Partner at Horizone Studio**

Robert graduated with a Masters in Architecture and Urban Design from Krakow University of Technology in 1998 after studying at both Krakow University of Technology and Bauhaus University in Weimar, Germany.

Since 2001 Robert has been working as a fully qualified architect, registered with the Association of Polish Architects MOIA. In 2007 he became a member of the Royal Institute of Architects of Ireland (RIAI).

Between 1998 and 1999 he worked for Bellmann & Böhm Architekten in Berlin. From 1999 till 2003 he worked in the Warsaw branch of the American architectural and engineering company Epstein. As one of the leading architects he was involved in a number of projects for Commercial and office buildings including Motorola's headquarters in Krakow and the Złote Tarasy commercial building complex in Warsaw.

Between 2003 and 2006 he worked for Anthony Reddy Associates in Dublin, where he was involved in numerous projects for offices and mixed use developments.

From 2006 till 2009 he was a project architect and then an associate in Traynor O'Toole Architects in Dublin. He was responsible for the delivery of large-scale projects for public and private sector clients. Among them the rejuvenation of Dominick Street in Dublin and an office complex on Sheriff Street Upper in Dublin, Ireland.

In 2009 he co-founded Horizone Studio in Krakow.

Since 2022, he has been a member of the Management Board of PLGBC - Polish Green Building Council, co-creating an initiative whose mission is the green transformation of the construction market in Poland.
